

## Romeo for Hire

Scorching sex: definitely on the menu. Hold the love, please Workaholic Carly Mason is caught between a rock and a hard place. The rock: an invitation for four days of sun and sand with her friends and their men. The hard place: Mr. Invisible, who lusts after her with delicious abandon, doesnt existCarly invented him to keep her friends off her back about her lack of a love life. Then she encounters a motorbike-riding Adonis whose image taunts her during the wee small hours. When fate drops him in her sights the next day, she grabs the opportunity to offer him a job. Pretend to be her Romeo, just for the duration of her getaway. Exhausted from months negotiating his multi-million-dollar companys expansion, Marco Valente is more than tempted by Carlys outrageous proposal. If nothing else, itll give him a temporary escape from his high-profile lifeand his mothers serial-bride attitude. Once on the island, Carly realizes her well-meaning friends have tricked her into a relaxing vacation. For the next four days and nights, its just her and her hired Romeo. And a growing connection that definitely wasnt part of the contract This book has been previously published.
