

Rude Awakenings of a Jane Austen Addict: A Novel

Read Laurie Viera Riglers posts on the Penguin Blog. The time-bending parallel tale to the national bestseller *Confessions of a Jane Austen Addict* In Laurie Viera Riglers first novel, *Confessions of a Jane Austen Addict*, twenty-first-century Austen fan Courtney Stone found herself in Regency England occupying the body of one Jane Mansfield- with comic and romantic consequences. Now, in *Rude Awakenings of a Jane Austen Addict*, Jane Mansfield awakens in the urban madness of twenty-first-century L.A.-in Courtneys body. With no knowledge of Courtneys life, let alone her world-with its horseless carriages and shiny glass box in which tiny figures act out her favorite book, *Pride and Prejudice*-Jane is over her head. Especially when she falls for a handsome young gentleman. Can a girl from Regency England make sense of a world in which kissing and flirting and even the sexual act raise no matrimonial expectations?
