

## Super Rich: A Guide to Having It All

The visionary entrepreneur and author of the New York Times bestseller *Do You!* delivers a powerful guide to true abundance. Russell Simmons knows firsthand that wealth is rooted in much more than the stock market. True wealth has more to do with whats in your heart than whats in your wallet. Using this knowledge, Simmons became one of Americas shrewdest entrepreneurs, achieving a level of success that most investors only dream about. No matter how much material gain he accumulated, he never stopped lending a hand to those less fortunate. In *Super Rich*, Simmons uses his rare blend of spiritual savvy and street-smart wisdom to offer a new definition of wealth-and share timeless principles for developing an unshakable sense of self that can weather any financial storm. As Simmons says, Happy can make you money, but money cant make you happy. In straight-talking inspiring chapters, Simmons provides unforgettable true stories from his own road to riches, delving into the principles and practices that have kept him energized and focused. Whether were in the boardroom or on a yoga mat, Simmons says, we have to be able to listen to our inner voices. Finding our unique potential, we can make the right moves, ruled not by money but by the joy of conscientious living and giving. With these philosophies and more, Simmons brings us a stimulus package of consciousness that will never run dry, backed by the power of the higher self. Watch a Video
