

Great Preaching on Salvation

It would seem that, in a series of books of Great Preaching by Sword of the Lord Publishers, one of the first volumes would be the one listed here. Certainly the series would not be complete without this volume. In the pages of THE SWORD OF THE LORD, we print more salvation sermons than any other kind of sermon. That creates a problem. There are so many hundreds of sermons to evaluate that the task has been almost overwhelming! However, here you have some of the best salvation preaching. In order for a sermon on salvation to be great it must proclaim salvation by grace, and have been used of the Lord to bring souls to Christ. This book is a compilation of such sermons.
