

## Saturday Night at Old Smokey

Category: Comedy with Music  
Characters: 1 male, 5 females  
Scenery: Interior  
In its heyday, Old Smokey was more than a mountain-top country store...its porch was the scene of Saturday night musical jamborees that rivaled the Grand Ole Opry. As Emma prepares to reopen Old Smokey for her son Teddy - injured in Afghanistan and almost home - the store has fallen into disrepair. There to help are Jinks, a playful friend and a Yankee wannabe; Olive, a sassy defender of all things Southern, who - with Jinks - was a member of the Mountain Mamas, a singing duet once destined for fame; and Cordelia, Olives daughter and Teddys fiancée, whos more talented than even she realizes. When the county threatens foreclosure, the women plan a fundraising musical jamboree reminiscent of the good old days. That is, until a storm closes the road, stranding them and wrecking their plans. The arrival of strangers - mysterious Howard and his ditzy wife Tammy - adds to the challenges. Who is Howard and why is he so interested in Old Smokey? More important, how do Emma and her friends preserve the values that built this homey little store at the top of the mountain? Challenges mount as secrets are revealed, laughs are shared, and songs are sung in a live on-the-air musical tribute to tradition, friendship and family. Plenty of wit and warmth in a simple story of family and tradition. And to sweeten the pot, some pretty darned good music. If youre in the mood for a good story well told, Saturday Night at Old Smokey wont disappoint. - Bristol Herald-Courier  
A delight offering lots of laughs and songs while exploring serious issues like war and media hypocrites...a hit with the audience and destined to be another Ron Osborne southern classic. - Washington County News
