

Bought and Paid For Unable to support herself and her beloved servants, Widow Carrie Hatcher contemplates the unthinkable-offering her services for money. Forced to board wounded Colonel Wesley McEwen in her home, Carrie vows to make the striking Confederate soldier her first client. But Carrie gets more than she bargained for when she agrees to comply with Wesleys every illicit request for one week. Throughout long, sultry nights, Wesley tutors Carrie in every position, every skill, of her illicit new trade. From dark taboos to pleasurable punishments, Carrie becomes his willing pupil. Passions inflamed, the couple becomes more scandalously intimate but Carrie realizes she wants to give him far more than just her body. The colonel, however, may be too haunted by his past to risk accepting more than hes bought and paid for. Scarlet Widow Tough...or tender? If she follows her heart, she wont have to choose. Molly has forever lusted for all three Barksdale brothers, but could never choose. Instead, scandal chose for her, and she married the youngest of the three. Then the brothers go to war, and Molly finds herself a grieving widow when her husband is murdered by a merciless band of Union soldiers. Hardin Barksdale is hell-bent on avenging his brother. Greer Barksdale is honor-bound to protect his home. They both want Molly-and this time, theyre willing to share. The temptation is seductive, the passion sizzling. In harsh, post-war Tennessee, their nightly forbidden trysts wield the power to heal them all-if they can escape the twisted desires of a man bent on seeing all three of them dead.
