

See You Around: Pantomime of Bygone Fun and Frolic

A retired SailorBoy, home from the sea, looked at an old postcard and dreamed about it. Suddenly the old postcard came alive. Once again he revisited the seaside resort where he had enjoyed fun with friends as a younger man. Out of the card stepped a lady - a dancer - who began to show the SailorBoy around the Magic Mile - a place in the other world where all the funny postcard people had gone and where they still lived and sang their oldtime songs. In this time-warp, such characters came alive as Lotsadebt, the dwarf and his pal BillBailiff; Skinny, the walking bones; Snooty, the upper-class drunk; Dame Knowitall, the fortuneteller; a few seaside blondes; the Bearded Woman and the Fat Lady. Outstanding among the dancers was the lady of good old days.
