

Sewing Church Linens: Convent Hemming and Simple Embroidery

This classic book on sewing linens for the church explains the materials and equipment needed, a variety of hemming options, special instructions on the small linens such as purificators and palls, working with fair linens, white work embroidery, and caring for church linens. New to this edition are directions for rolled hems, chalice veils, more specific directions and an improved worksheet for planning shrinkage, special advice specifically for beginners, an updated Sources and Resources section, and new patterns.
