

Shotgunning for Deer: Guns, Loads, and Techniques for the Modern Hunter

Of the approximately 10 million whitetail deer hunters nationwide, 4.1 million choose to go a field with shotguns. But not one should do so without first reading Dave Henderson's expert guide. Henderson offers his knowledge on the latest innovations in shotgun design and ammunition technology and reveals the history and evolution of shotgunning. You'll also learn how to select the right shotgun for the hunt and how to handle your weapon safely and effectively. Deer hunters at all levels will benefit from the expert advice found amidst hundreds of useful color photographs in *Shotgunning for Deer*.
