

## Show Business (Masks)

Show Business is a collection of stories about the real business of entertainment. Reality is a jungle full of phoney agents, spoiled artistes and corrupt businessmen. Kevin Coyne, a rock musician, painter, writer and actor, portrays an array of hustlers, naifs and people who take themselves far too seriously. Coyne's short stories are a window on a strange way of life. Show biz is tough, and the cynicism and weariness that emerge are hardly surprising. But there's a touching naivety about these characters who hang on in there despite everything. Kevin Coyne knows show business intimately. His perception of it is insightful and funny.
