

Silent Kill

When Cliff Hardy signs on as a bodyguard for charismatic populist Rory OHara, who is about to embark on a campaign of social and political renewal, it looks like a tricky job; OHara has enemies. Sure enough, a murder and a kidnapping soon cause the campaign to fall apart. Hired to investigate the murder, Hardy uncovers hidden agendas among OHaras staff and powerful political and commercial forces at work. His investigation takes him from the pubs and brothels of Sydney, to the heart of power in Canberra, and the outskirts of Darwin. There he teams up with a resourceful indigenous private detective and forms an uneasy alliance with the beautiful Penelope Marinos, formerly OHaras PA. A rogue intelligence agent becomes his target and Hardy stumbles upon a terrible secret that draws them into a violent and disturbing confrontation.
