We also gather insight into the writings of the poet and his or her strengths; well let me introduce you to Wonder Woman. In my examination of Kimberley M. Calloways book I have found words jumping off the pages, and just simply grabbing my heart to alert me of so many poetic truths. This book will awaken you if youre sleep and give You a wakeup call to the realities of Life. Her poetic jesters are profound and before her time. So grab a spoonful and be filled with joy and Laughter. They say the proof is in the pudding, and today you have started a journey you would like to share with many friends as you read this book. Now its time for you to sit back and enjoy this great book. Remember you were told it would shake your world upside down.
