Have you ever noticed how most Asian Americans are slightly brain-damaged from having grown up with Asian parents? begins the Korean American protagonist of Songs of the Dragons Flying to Heaven, the singular work by Young Jean Lee. This is the first collection by the downtown writer-director, whose explorations of stereotypes of race, gender, and religion are unflinching and seat-squirmy funny. This volume includes the following plays: Songs of the Dragon Flying to Heaven Scathingly mischievous Songs of the Dragons Flying to Heaven is a provocateur's funny, guns-blazing take on the utter banality of ethnic stereotypes and other cross-cultural outrages. In its slyly eccentric way, it's an evening of enlightenment. Peter Marks, Washington Post Part performance art, part comic sketches, fights, dance, song and reverse Bible study, and at times strangely serious, Dragons is a bracingly funny always provocative equal-opportunity offender. Robert Hurwitt, San Francisco Gate Miss Lee has a talent for evocative and sometimes grotesque imagery, and on the attack she is at the height of her powers. David Cote, Time Out New York A thoroughly entertaining, uplifting, inescapable piece of art So thought provoking, it's only appropriate to give thanks and praise. Helen Shaw, The New York Sun Pullman, WA [Lees] new work has the deadpan simplicity of the plays of Richard Maxwell and the awkward, secretly suffering angst of a teenage diarist working through an identity crisis. It is an honest [work] that takes itself seriously, and that is refreshing. -Jason Zinoman, New York Times The Appeal The Appeal is the happiest literary desecration since Amy Freed's The Bard of Avon, in which Shakespeare declared, I have great thought-like things within my head. -Jeremy McCarter, The New York
