

Spirit and Flesh: Life in a Fundamentalist Baptist Church

In an attempt to understand the growing popularity and influence of Christian fundamentalism, sociologist and documentary filmmaker James Ault spent three years inside the world of a Massachusetts fundamentalist church. Spirit and Flesh takes us into worship services, home Bible studies, youth events, mens prayer breakfasts, and bitter conflicts leading to a church split. We come to know the members of the congregation and see how the church acts as an extended family that provides support and security along with occasional tensions. Intimate and rigorously fair-minded, Spirit and Flesh will help non-religious readers better understand their fellow citizens, and will allow devout readers to see themselves through the eyes of a sympathetic outsider. From the Trade Paperback edition.
