

Standard Catalog of American Cars 1946-1975 (4th ed)

This expanded fourth edition is the source for all information concerning postwar collector cars. Edited by Ron Kowalke, this revised catalog contains hundreds of new photos, including a 16-page color section, to better illustrate the domestic automobiles produced between 1946 and 1975. Also included are all the technical specifications, information on serial numbers, production totals, and the all-important current values of all the automobiles listed in the book. 2,800 photos.
