

State Trooper Exam

This completely updated second edition of State Trooper Exam provides fast, focused test preparation through instructional chapters and targeted practice on the most commonly tested topics: reading comprehension, writing, information ordering, mathematics, directional orientation, memory, visualization, problem solving, reasoning, judgment, and sensitivity. In addition, this guide offers a detailed, realistic study plan as well as informative chapters on the challenging oral appraisal exam, physical exam, medical exam, and psychological exam. State Trooper Exam 2e includes: Six full length (100-question) practice exams, based on the official state trooper exam Must-have tips for conquering test anxiety and boosting confidence Complete information that covers the application process and what to expect on the exam that guarantees a passing score Completely updated and revised second edition For many folks interested in becoming State Troopers or entering other professional fields that have state examinations, they are unable to perform to the best of their abilities not because they do not retain information, but because they know not how to manage time before the test. State Trooper Exam provides future test takers with the material they need to practice and perfect their skills. This book helps test takers understand that practice is a necessary part of everyday if people are to approach the exam with excellence and confidence.
