

[Siren Menage Everlasting: Erotic Steampunk Menage a Trois Romance, M/M/F, with M/M, light BDSM, sex toys] In a misguided attempt to atone for her mistaken loyalty to her father, Yzabeau Gifrador branches out on her own to find the truth and ends up in more danger than she ever faced before. Liam McKenna never forgot the girl he failed to protect from being taken from their village, and now his days are filled with missions to locate women sold in the slave pits. Tristan has loved Liam ever since the day he heard stories of a thirteen-year-old boy trying to fight an entire New World garrison in an attempt to protect someone he cared about. But their relationship has been built on the present without any true thoughts to a future. Together, will the three of them find a love strong enough to face the bitter memories that shaped them, or will their pasts blow them out of the sky? Note: This book contains double vaginal penetration. \*\* A Siren Erotic Romance
