

Studies on the Legend of the Holy Grail

The Celtic hero who in the twelfth century became Perceval le Chercheur du basin ... in the end became possessed of that sacred basin le Saint Graal, and the holy lance which, though Christian in the story, are the same as the talismans which appear so often in Gaelic tales ... the glittering weapon which destroys, and the sacred medicinal cup which cures. In all the Fenian stories mention is made of Fionns healing cup ... it is the same as the Holy Grail of course. J. F. Campbell.
