

Catching Foxes: A Book for the Bride

Based on the Song of Songs 2:15, our beloved Bridegroom is concerned for the foxes that are causing problems in His vineyard of love, and asks his Bride-to-be, if she is willing to catch them. This is a living testimony to some of the foxes I have been led to catch, in my own life, in a hope that it will inspire you to join me in the hunt... as we look together at the words of Jesus, to recognise the foxes that may be nestled comfortably as yet, undetected.
