

Reformed Faith and the Doctrines of Grace (Tamil Edition)

There are two sections in the book. One explains in detail the Doctrines of Grace which are commonly known as the Five Points of Calvinism. The other shows that there is more to the Doctrines of Grace than just the Five Points of Calvinism. The Doctrines of Grace teach that the Sovereign God alone is the Lord of our salvation and cover the essential aspects of soteriology. The Reformed Faith goes beyond that to teach that the Scripture alone is the sole authority over all matters of faith and practice in the Christian life. The book articulates all this in a popular style of the Tamil language.
