[Menage and More: Erotic Historical Consensual BDSM Menage a Trois Romance, M/M/F, with M/M elements, voyeurism, fisting, spanking, whipping, wax play, lactation fetish, sex toys, HEA] When Bettina Jenkins was sent back to her mother, Phoebe, she had no idea what the Gentlemens Club was. Getting caught spying on the acts between Phoebe's women and the men who pay for their time wasn't her plan, but this man intrigued her. Gaston Duvall pays Phoebe for the privilege of punishing Bettina, yet he doesn't hurt her. She begins to dream he'll take her away permanently. When that dream comes true, she accepts his business partner, Stewart Jahan, is part of the deal. Having only two men to service was better than being purchased repeatedly for Phoebe's financial benefit. They teach her nothing between consenting adults is taboo. Her fantasies involve being spanked by them. She embraces their fantasy when she experiences the orgasms their sucking her nipples provide. Learning their final secret, Bettina accepts their willingness to give her control occasionally is a trust she never thought of and now can't live without. Note: This book contains double vaginal penetration. Note: This book contains double anal penetration. ** A Siren Erotic Romance
