

Dimitrie Cantemir, *Salvation of the Sage and Ruin of the Sinful World* (Texts and Studies in Eastern Christianity)

This is a thoroughly revised and expanded version of the first edition of the Arabic version of Dimitrie Cantemir's *The Divan or the Sage's Dispute with the World* (al al- ak m wa- fas d al- lam al- am m) (Ia i, 1698), his first printed book, the earliest ethical treatise in Romanian literature and a testimony to his wide knowledge, reading, and proficiency in foreign languages. Completed in 1705 by Athanasius III Dabb s, Patriarch of the Antiochian Church (1684-1694, 1720-1724), the Arabic text is accompanied by the first translation into a modern language, English. Book III contains Cantemir's version of the Latin work *Stimuli virtutum, fraena peccatorum* (Amsterdam, 1682) by the Unitarian Andrzej Wiszowaty (Andreas Wissovatius) of Rakow (Poland), a chief representative of the Polish Brethren. Thus, in the space of twenty-three years Central-European Protestant ideas reached the Arab Christians of Ottoman Syria, by way of Greek and Arabic.
