

## MGB MGC & V8: Gold Portfolio 1962-1980

Still as popular today as when it was introduced in 1962 the MGB has a pretty streamlined body and a sporting, if not fast, performance. The GT introduced in 1973 produced a very effective grand touring car with very practical luggage space. The MGC was supposedly introduced to replace the Austin Healey 3000 but met with limited success. This is a book of contemporary road and comparison tests, specification and technical data, long term tests, buying second hand, history. Models covered include: 1800, GT, Downton MGB, MGC, SMR conversion, MGB Mk II, MGC Auto., Downton MGC, Gran Turismo MGB, University Motors Special MGC, MGB Mk III, Costello GT V8, V8.
