

The Amazing Thing About the Way It Goes: Stories of Tidiness, Self-Esteem and Other Things I gave Up On

The Amazing Thing About the Way It Goes takes on the amazing in the ordinary in this side-splitting series of short commentaries. Pearl-McPhee turns her trademark wit and perspective to everything from creative discipline to a way you would never think about fixing your email situation. This book looks at everyday problems, and honestly, it won't do much to solve them, but at least you'll be laughing.
