

Pluck The Hanging Gold

Pluck the Hanging Gold is an embodiment of the ideas that make for a Maximum Success. And the key to Success, I believe, is encouragement. Well, all said and done, there is an underlying factor: You, the reader, are your own Hanging Gold. You can Pluck it for your overall enlightenment; you can let it wither at will, or you can waste it its also your choice. The best of all worlds is right in front of you. When I read the book Think and Grow Rich (written by Napoleon Hill), only to note that it has sold more than 20 million copies, an idea came into my mind: If an American can do it with such a degree of success, a Nigerian can do even better.
