

Saved by Grace from Voodoo to Gospel

It was for him a real delivery, a true liberation that lived in his skin, soul and mind. Along the way, author Fredo Saint Charles destroyed quite a lot of myths that make of the life of the Vaudouisant a living hell, but some have followed new Christians into the teaching and practice of Christianity. This small book serves to free the Vaudouisants of the fear that some Christians continue to carry in spite of their renouncement of voodoo. Many still carry old beliefs within themselves that make of their life a daily moral torment. Dr. Saint Charles hopes that the reading of this book will transform readers and allow them to be optimistic and free of the illogical fears that have bound them so long. That Christian will then be better able to contribute and spread happiness and joy while waiting for entrance into the final Paradise. Rev. Dr Fredo Saint Charles is an evangelist that travels extensively within the United States and preach the gospel in numerous Haitian churches. He has produced and promoted CDs of his sermons.
