

The Cars of Vel Miletich and Parnelli Jones

Vel Miletich, Parnelli Jones, and their Vels Parnelli Jones (VPJ) Racing team of drivers, engineers, designers, fabricators and mechanics dominated the American automobile racing scene of the 1970s from Jones' humble early career, to the pinnacle of motorsports: back-to-back Indianapolis 500 race wins and three consecutive United States Auto Club National Championships. The name Parnelli Jones is synonymous with the sport of auto racing. Best known as the winning entrant at Indianapolis with Al Unser and the Johnny Lightning Specials in 1970 and 1971, the Vel Miletich/Parnelli Jones team eventually encompassed several different disciplines of motorsport. In addition to running what was then the USAC National Championship circuit, they were also fielding cars in USAC Silver Crown dirt track events, Formula 5000 events on road courses, NHRA drag racing, off-road racing and even Formula One. When the opportunity arose in 2012 for the Indianapolis Motor Speedway Foundation to acquire many of the cars from the beautifully preserved Vel/Parnelli collection, the Foundation board members had no hesitation with making that acquisition. Although these cars are ideally viewed in person at the Indianapolis Motor Speedway Hall of Fame Museum, the pages of this book will certainly whet one's appetite for this most amazing collection.
