

COMPLETE WORKS OF EDGAR ALLAN POE

6 out of ten volumes bound in brown leather cloth with gold gilded pages and embossed gold writing and designs on the spine. All around these are in nice shape , bindings are intact, no pages torn out, and are complete and very readable and enjoyable. There is a label pasted inside the front cover of each one which reads Ex Libris Clara Tester Stern with a delightful picture of a boy and his young sister with their dog sitting and reading a book together outdoors. Charming to say the least! I think this price is fair whereas each book seems to be valued individually around \$20-\$30. Set includes : VIII, VII, VI, V, X, II
