

The End of the World Is Rye

What would you do for the perfect sandwich? Kill? Die? Well, if you were a rogue angel, you might cause the Apocalypse. And it looks like that's just what this darkly funny fantasy's rogue angel is about to do when he lands in a polygamist cult in Utah. Now it's up to the rest of God's divine posse, including Jesus and Lucifer, to save all of existence from certain destruction. In his debut novel, Brett Cottrell takes you on a provocative, celestial roller coaster ride that will have you laughing on the edge of your seat all the way to the gates of Hell.
