

The Extraordinary Chapter

She stumbled into business in spite of herself and beat the odds, with no business training. This is the story of one entrepreneurs journey and the many profound lessons learned along the way. The roller coaster of adventures in the event planning business that she encounters over the years will make you laugh. The obstacles that she conquered will resonate in many business owners and managers. The painful losses and changes along her journey will make you cry. And the artful way that she blends all of these experiences and crafts them into a way of living again and moving forward towards a future yet to be created will make you cheer! The blend of descriptive adventures, deep and universal business and life lessons, and her advice on shining through every obstacle thrown in her path will guide any business owner, potential business owner, woman, mother or anyone who just wants to write their Extraordinary Chapter !
