

The Grace of Christ: Sinners Saved by Unmerited Kindness

William Swan Plumer (1802-1880) was an American Presbyterian minister and wrote extensively. His commentaries continue to be widely appreciated. Here he takes the theme of grace and traces it in a warm and devotional style through 53 chapters ranging from mans need because of sin, through all aspects of salvation and the Christian life and even into glory to come. This glorious theme is handled in a way that is accessible to all and which firmly places Christ and His grace at the heart of everything. First published in 1853, this title has been completely re-typeset for issue as an eBook.
