

The Gun - Afield & Afloat (History of Shooting Series - Game & Wildfowling) (History of Shooting Series) (Hardback) - Common

This scarce volume was first published in London 1904, and is considered one of the foremost books on wildfowling and game shooting of its time. The author was an experienced wildfowler and game shot and an acknowledged expert on game guns, big bore guns and their associated ammunition and loads, to which subject he has devoted several detailed chapters. The books 350 pages contain 16 comprehensi...
