

The Laws of the Sun: One Source, One Planet, One People

Is our future set in stone? Worldwide spiritual sensation, Ryuho Okawa, brings us the gospel for this turbulent millennium in *The Laws of the Sun: One Source, One Planet, One People*, revealing that it is up to us to become the authors of this century. As the world struggles through many economic crises, prophecies of Judgment Day arriving in 2012, international religious and political conflicts, and natural disasters, we are in need of the power of spirituality, love, and wisdom more than ever before. Ryuho Okawa reveals the truth of the common source of all humankind regardless of race, religion, and culture and when we, humankind, discover the divine purpose bestowed onto our common identity, all will be inspired to unite as one people of our one beloved planet.
