

Gathering of Owls (The Golden Chain of Command Book 1)

Product Description In these days of fundamental transparency, Facebook openness, and wickedly revealing WikiLeaks, its easy to imagine that all is as it is seen, that everything happens out in the open, or at least is swiftly exposed. Dont be deceived. The world still has its secrets and clandestine places that shelter deep dark truths. For this novel, youll submerge into the underworld, shining a light of consciousness into the dim corners of perdition. Youll stare into the depths, taking a look at dark networks and criminal master minds, cheats and con men, champions, rivals, unnatural wickedness, history, and technology, who seek to exploit the basic impulses; like openness, optimism, freedom, and faith in progress, for better or worse. But, while standing over these people backs and peering into their world; be careful...They are always looking over theirshoulders to only stare back. Will you see a new way, a mirror image of yourself perhaps or just a facade of your imagination? So it tends to leave two questions. Who are you or who is who?Welcome to the Gathering of the Owls. Mans inhumanity to man is the theme of this dynamic novel. It begins on a Virginia plantation in 1817, and ends up in modern day Africa. Against a backdrop of todays biggest cities, the age-old institution of dealing in slavery focuses on a secret society that has survived190 years. Now in modern times, the organization not only survived as a secret society, it thrived as one. But with the changing of times, so has CANA Over the years, the organization has split into four branches. And Manican (a high ranking member called The Gyasi) has began to see the perfect opportunity to rise to power and ensure his legacy by bringing together all four branches to form one whole once again; while revealing the hidden and often shocking history of a secret society so undetectable, monolithic, and silently corporate that the earlier

members dubbed it The Owls. Gathering of Owls: The Golden Chain of Command unravels the shrouded world of the transatlantic slave trade. Once known as The Owls, this secret society is now dubbed CANA, with its tentacles reaching around the world. The time has come to unite the four branches of the organization under one leader, but will the merger take place? Gathering of Owls examines the true meaning of freedom. An action packed epic read of unparalleled magnitude! Thegatheringofowls.com I have written a contemporary historical fiction called Gathering of Owls: The Golden Chain of Command, which has been proven to appeal to universal groups of readers. This novel has evolved to meet the ever changing needs of today's market. This novel was written to teach about the past and move onward into the future. The novel comes with an online media center gatheringofowls.com which is getting millions of visitors and supporters. After reading the book, the media center allows you to enter the story, one has time to reflect, find other books, check facts, and make up one's own mind. With gorgeous 2-D characters, brilliant level design, edge-of-your-seat thrills, great 3-D action, social media outlets, as well as features that are unbelievably cool, the media center introduces a new way to enjoy reading. As genres continuously evolve, divide, and combine; readers' tastes change and writers search for fresh ways to tell stories. Gathering of Owls: The Golden Chain of Command could revolutionize the publishing, photo, art, and CGI industry, with its cutting-edge technologies just visit gatheringofowls.com and take a look.
