

## The Little Red Success Book

Do you want to really understand the Laws of Attraction and Abundance? The Little Red Success Book is the place to get started. Seven simple steps to getting started on a path to achieving what you want out of life are easily and logically explained. It is easy to read and simple to follow. You will feel that the author is actually speaking to you directly. First published in 1994, now updated, this book has helped many people achieve their dreams. The ideal book for anyone just starting out on a quest for a better life, riches or the fulfilment of any dream. Practical advice that is also equally applicable in building business and career development, as it is in personal development. The Author is a successful corporate executive who lives the program, and walks the talk every day of her life.
