

The Little Red Book 2012

As in every year, The Little Red Book has been fully updated to provide detailed information on bus and coach operators throughout Britain. It also includes information on suppliers, societies, licensing bodies, and many other topics and subjects-essential information for all those working in the industry. The Little Red Book is greatly respected by those involved in the bus and coach industry, as it has been published annually now for more than sixty years. A copy of the new 2012 edition of The Little Red Book is an essential reference tool for anyone interested, either professionally or as an enthusiast, in the road passenger transport industry in the British Isles.
