

The Living Word

The teaching of Dr Gustaf Wingren, Professor at the University of Lund, is beginning to dominate the theological scene in Sweden. Through previously translated books it is also beginning to make its mark in the English-speaking world. This is the translation of Dr Wingren's most important book to date—a systematic and profoundly argued treatment of the major themes in Christian theology in relation to the contemporary preacher's proclamation of the living Word of God in the Church.
