

## The Other Side of Dare (Blessed Trinity Novels)

When a battle of wills threatens to tear a family apart, a child shall lead them--straight to a shocking secret. Will they betray their faith--and each other--to keep it buried? After seven years of marriage, Paris Simmons-Holyfield and her husband, Andrew, are still childless. Now Paris is determined to adopt orphaned nine-year-old Jasmine Noble. Trouble is, Jasmine is in the custody of ex-stripper Gabrielle Mercedes. Worse, Andrew is vehemently against the idea--and he's not alone. Paris's father, Lawrence Simmons, a powerful politician, has vowed to shut his daughter down. The only man to even dare be on Paris's side is shady Darius Connors. Unemployed and not quite out of the dog house with his wife, Darius is more than happy to help the beautiful, vulnerable, yet undeterred Paris. . . Paris has her suspicions about why her husband and her father are so opposed to the adoption. But the reality is far more scandalous than she imagines. To get to the bottom of it, she'll have to deal with blackmail from the last person she ever expected--and battle Gabrielle, who'll fight with everything she's got--including the truth. Soon, all involved will learn just what's on the other side of dare. . . I absolutely love Vanessa's unique writing style. --Mary Monroe
