

## The Plum in the Golden Vase, or, Chin Ping Mei, Vol. 1: The Gathering

In this first of a planned five-volume set, David Roy provides a complete and annotated translation of the famous Chin Ping Mei, an anonymous sixteenth-century Chinese novel that focuses on the domestic life of Hsi-men Ching, a corrupt, upwardly mobile merchant in a provincial town, who maintains a harem of six wives and concubines. This work, known primarily for its erotic realism, is also a landmark in the development of the narrative art form--not only from a specifically Chinese perspective but in a world-historical context.
