

## The Red Storm: A Mystery

Winner of the Minotaur Books/Private Eye Writers of America Best First Private Eye Novel Competition introducing a black ex-boxer P.I. working in 1930s New Orleans. Newly-minted private investigator William Fletcher is having trouble finding clientele. He's not the only man out of work, but his past as a former heavyweight contender with a few shady connections—not to mention the color of his skin in race-obsessed New Orleans—isn't helping lure clients to his door. Stuck without any viable alternative, he takes a case from an old criminal acquaintance, Storm. His only client assures him that the job is simple—locate his missing estranged daughter, Zella, no questions asked. But when Fletcher starts knocking on doors, he sets off a catastrophic chain of events that turn the city into a bloody battleground between two rival syndicates. Then Storm is murdered and Fletcher finds himself caught between the police and dangerous mobsters. With Zella's safety in the balance, the unlikely private detective finds himself with a lot more than he bargained for. *The Red Storm* is the first novel from licensed private investigator-turned-novelist Grant Bywaters.
