

## Satisfaction

They were adventurers and the closest of friends--until the day Hugo Galliard deserted Edmund Renbrook in South Africa, robbing him forever of his diamonds, his woman, and his future. Now, years later, a son and daughter will meet to settle the score, using every bit of sensual cunning at their disposal... Everything She Believed. . . Wild, beautiful, unwilling to bend to anyone's rules, Jancie Renbrook is governed by one overwhelming desire: to make Lujan Galliard want her, marry her, and serve as the instrument of her father's revenge. But life at the Galliard manor proves a treacherous den of iniquity, where Jancie is coveted by many, and the only man who could prove her ally is Lujan himself... Everything He Desired. . . Lujan Galliard has cut quite a swath through the gambling dens and whorehouses of London. But at least he's an honest rakehell, unlike his father who masquerades as a gentleman while gazing at Jancie as if she were a ripe piece of fruit for the taking. Not that Lujan believes for a moment that the girl is an innocent come to care for his dying mother. The only way to uncover her scheme--and thwart his father--is to seduce and marry her. But a taste of what he hungers for proves more tempting than Lujan can resist...and soon, he wants Jancie body and soul... Everything Has Its Price Blinded by vengeance, trapped by uncontrollable passion, two lovers have become pawns in a dangerous game of sin and secrets, and the only way out is to surrender to a love neither is ready to trust...
