

Vegas Girls: A Novel

For Fans of Julia Glass and Ann Hood, a Novel about How the Choices We Make Last a Lifetime Vegas Girls begins when three former high school friends, now in their mid-thirties, reunite in their hometown of Las Vegas a city they vowed to escape as soon as they could to celebrate their new lives and revisit old haunts. But what starts out as a week-long, sun-kissed reunion takes a strange turn as mysterious gifts appear, familiar faces pop up in unexpected places, and each woman reveals a secret, private quest. Ramona is searching for a son she gave up for adoption before their high-school graduation. Jane is trying to leave her husband of eleven years, even with her two kids in tow. And Ivy, who has a new baby, is haunted by the memory of her mother abandoning her twenty years ago and she has begun spotting her everywhere. Add to this a darkly charismatic ex-boyfriend of Ivys who wont give up hope of rekindling their romance, and a strange, new friend of Janes in need of help, and the week quickly begins to unravel. Set against desert heat, swimming pools, and casino lights, and told masterfully through five different points of view, Vegas Girls is about how we navigate the present while carrying the ghosts of our past; about growing up with one eye glued to the rearview mirror; and about what happens when the past you thought you left behind turns out to have been with you all along. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we

are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
