

# The Seekers Guide to Saints

Who were the saints and what is it about them that causes people all over the world to remember them? What were their stories, motivations, passions-and shortcomings? This informative, delightful, inspiring book reveals the truth behind the misconceptions and the mystique in a survey of saints throughout the history of the Church. The stories included here emphasize that, although the saints were often flawed and quirky individuals, what made them saintly above all else was their dedication to faith. They had a passionate, extraordinary, pull-out-all-the-stops devotion writes award-winning Catholic author Mitch Finley, and a desire for truth that is not unlike our own.
