

Women Keeping the faith in Singleness

Single Christian living is not easy for most people. There were times in my life that I have struggled living single and looking for love with every person I met in my life and especially men. I was not concentrating on what God really wanted for me; I continue to try to find comfort, protection, security, and love with others, but many times I was rejected and broken-hearted. God has given me comfort to live single and the more that I realized my faith in God and having a closer relationship with God everything that I was looking for in others, I already had in the Lord and protection and security through his everlasting love. Single Christian women that are struggling living single; you can find all the love you need through God; he will never leave or forsaken you. If you trust in God, believe in his word and keep the faith in singleness; he will help you make it through your difficult times and struggles of single Christian living.*PLEASE LEAVE A REVIEW I WOULD LIKE TO KNOW YOUR OPINIONS AND THOUGHTS ABOUT THIS BOOK!
