

The Sovereignty of God: Proceedings of the First American Calvinistic Conference in 1939

In an age when few evangelical Christians find comfort and hope in the sovereignty of a fatherly God, this book serves as a surefooted guide to help us navigate some of the depth and breadth of this glorious truth that lets God be God. The authors encourage us to remember that whatever we think, say, or do, we must begin with God, continue with God, and end in God. If you want to understand and treasure the profound truth that God does all that He does in all spheres of life because He is who He is, read this book. -- Joel R. Beeke, Puritan Reformed Theological Seminary, Grand Rapids, Michigan
