

The Spiritual Military

Have you ever heard these lyrics to the old Christian hymn... Im a soldier, in the Army of the Lord Ever wondered what that means? Or who this army is thats being referred to? Or just what this army is all about? Do you Battle with cycles and recurrences in your life that seem to have some strategy or to be part of a bigger plan? You are about to embark on a journey that will open up Gods Heavenly Army in such a way that it will reveal a blueprint or template for Gods earthly Army which is operating in the Kingdom of God today. Take this journey with us and witness the unveiling of the parallel between todays natural military and the unseen Spiritual Military. God has poured out revelation about spiritual warfare so that we can prepare for what is to come. Paul pointed us in the right direction when he revealed the armor of God...now lets put on that armor and take our positions in the End-Time Battle of the Ages. Joel 2:11 And the Lord shall utter his voice before his army: for his camp is very great: for he is strong that executeth his word: for the day of the Lord is very great and terrible; and who can abide it?
