

The Stainless Steel Rat Returns

James Bolivar Slippery Jim diGriz, Special Corps agent, master con man, and interstellar criminal (retired), is living high on the hog on the planet Moolaplenty when a long-lost cousin and a shipful of swine arrive to drain his bank account and send him, and his lovely wife, Angelina, wandering the stars on the wildest journey since Gullivers Travels. In this darkly satiric work, Harry Harrison brings his most famous character out of retirement for a grand tour of the galaxy. The Stainless Steel Rat rides again: a cocktail in his hand, a smile on his lips, and larceny in his heart, in search of adventure, gravitons, and a way to get rid of the pigs.
