

Mastering the Seven Decisions: That Determine Personal Success [Audiobook][Unabridged] (Audio CD)

Andy Andrews knows first hand that the road to lasting success is paved with seven intentional decisions. You see, he's spent the last twenty five years studying some of history's greatest success stories and infusing his own life with his findings. In *Mastering the Seven Decisions*, Andrews generously shares the tools you need to experience that same success and offers an in-depth explanation of The Seven Decisions first unveiled in his groundbreaking, New York Times bestseller, *The Traveler's Gift*. Empowering his latest work are profiles of vastly successful people and pages of probing exercises to help you put these principles immediately to work in your own life. These proven principles will impact every area of your life - parenting, relationships, career and financial achievement - and help extinguish limiting behaviors. Embrace these principles. Study them. And more importantly, plug them into your own life to create the future of your choosing.
