

The Underground Church: Reclaiming the subversive way of Jesus

A new way to follow Jesus that draws on old ways of following him. Prominent progressive writer, speaker, and minister Robin Meyers proposes that the best way for the faithful to recapture the spirit of the early Christian church is to recognize that Jesus-following was - and must be again - subversive in the best sense of the word because the gospel taken seriously turns the world upside down. No matter how the church may organize itself or worship, the defining characteristic of the church of the future will be its Jesus-inspired countercultural witness.
