

The Phantom of Darkgrove

The Darkgrove family has been summoned to the family estate to pay their respects to wealthy matriarch Ernestine Elwonga. She doesn't trust any of the family members and makes the mistake of telling them so. Dottie and Dexter Darkgrove will do anything to insure that the lion's share of the estate goes to them. The only person standing between the evil Darkgroves and Ernestine's fortune is her beautiful ward Tillie Webshuttle. But what's an intrepid young lady to do when outnumbered by evildoers? Her only hope is the dashing and mysterious hero the Phantom of Darkgrove! Melodramas are widely popular entertainment events! They provide excellent fund-raisers for any organization. They can be performed in church basements, school gymnasiums, dance halls, or any space large enough to seat a few people with space for a stage. They require a minimum of set pieces and furniture and can easily and inexpensively be costumed by a visit to a thrift store. Melodramas are sure to be a hit with your organization! This melodrama has been successfully produced in many theatre venues. A modest \$35.00 royalty fee includes one reproducible script with a 20 copy limitation and permission for unlimited performances for a 365 day period. A spectacular value when compared with other publishers' royalty fees!
